Introduction

Located at the foot of Konpira Shrine, known as a Power Spot, you can enjoy making the famous Sanuki udon. (You can make your own udon.) This famous experience course has been introduced in the media on many occasions.

Udon-making will be explained in detail by the Udon Teachers, starting with the kneading of the dough. The dough is then rolled out with the special rolling pin, boiled, and then enjoyed – all the steps are covered. You can enjoy the full experience, including the special 'foot kneading' and udon cutting. (Rolling pin, secret recipe and completion certificate are provided as gifts at the end).

You can then eat your own udon, together with dishes such as tempura and chirashi-zushi. Many foreign visitors have participated – this experience is highly recommended.
