## Introduction

This part was established in an ocean-side area facing the Seto Inland Sea.

Inside the grounds, there are colorful large scale playing structures, and grass lawns that kids can run around on. There is also the Utazu Umi Hotaru, which houses a multipurpose facility including a cafe-restaurant FM Satellite Studio.

The walking path goes along the coast, so you can view the dynamic Seto Ohashi bridge, the islands that float in the Seto Inland Sea, and the ships as they come and go. At sunset, the entire area is bathed in a beautiful orange.

The romantic spot 'Koibito-no-Seichi' (The Holy Ground of the Lovers), recognized as a good place to make a marriage proposal. It is also popular with people just looking to have a date, as well.
