▶ 18:10

A Sunport Takamatsu (Takamatsu Harb

Walking around the Takamatsu harbor area of Sunport Takamatsu is highly recommended, especially in the evening when you can enjoy the night lights. The light tower at the end of the wharf is known as 'seto-shirube' - a 14.2 meter high glass light house that has protected the safety of the ocean from past to present.

Tsurumaru Gee

This udon restaurant is located in the Marugame-machi Green shopping complex in the Marugame-machi shopping area. Curry udon is a popular dish, but others such as classic straight soup udon and freshly boiled 'kama-age' udon are recommended. They are open late, so stop in for a bowl of udon after your drinking session.
