Introduction

With headquarters based in Kurashiki, Heisei Rental Car has offices at major stations in Okayama, Kagawa and Ehime, in addition to airports. This branch is a 1 minute walk from Takamatsu Station, and is also conveniently located near the Takamatsu Port Ferry. So that you don't have problems getting to delicious udon restaurants, cars are equipped with 'Udon Navigator' (requires advance reservation) and an 'Udon Map', hand-drawn by the shop's udon-loving staff. These special Kagawa tourism materials are very popular among visitors.

In addition to Internet reservation services, customers can call or walk-in for reservations as well. Good value packages and plans are available as well. One Way rates are available, allowing customers to return cars at other sites in and outside the province.
