Facility Introduction

This integrated leisure facility combines accommodations, natural hot springs, hot water pool (swim suit and cap required) and park. The full service natural hot spring 'Taishi-no-yu' includes plain hot water, vibra, jet, sleeping, medicated, cold water, outdoor baths and sauna. The water is alkaline. There are also restaurants, accommodations and body care, and parties can be arranged. There is an indoor heated pool.

In the park there are suspended bridges and zig-zag bridges, together with combination play structures that integrate a net tunnel. In addition there is a roller slide with a total length of 115 meters.

In the Product Hall, you will find souvenirs, vegetables and fruit for sale. The boysenberry ice cream, made from locally grown berries, is an addicting sweet-sour flavor that is popular with guests. Special Way Station products are also on sale.
