Facility Introduction

Along Rt 193, which connects Kagawa and Tokushima Prefectures, this way station is Shionoe Hotspring, the center of the busy Hot Spring Town. Soft serve icecream from the nearby farm is very popular. For those who like spicy foods, the local 'baishin' spice is recommended – this is Shionoe' specialty, made from yuzu citrus and chilli peppers.

Nearby you will find art museums, camping grounds, tennis courts and farms. In the summer you can see fireflies and lots of other natural beauty.

The famous hotsprings at Shionoe are said to have been discovered by the famous monk Gyoki about 1,300 years ago, and made popular by Kukai (the month otherwise known as Koho Taishi). You can relax at the foot spa hotspring, free of charge. For those who would like to spend more time relaxing in the hotsprings, head to the Gyoki-no-yu directly next door. There are private hotspring baths as well, highly recommended.
