### Introduction

On this course you can cruise the calm waters of the Seto Inland Sea in a catamaran yacht. Leaving from Takamatsu Marina, you can take a half-day yacht cruise that includes stops on Ogijima, Teshima and Naoshima island. Many other options are available as well.

During the Setouchi Triennale period, we offer cruise courses that include both the local islands and art exhibits. When you disembark on an island, you have free time to wander about the island and enjoy the art on show. Courses differ depending upon the island, so please do not hesitate to ask for details.

Enjoy a relaxing and luxurious time on the yacht.
