Facility Introduction

This park was established in the waterfront area facing the Seto Inland Sea.

Inside the grounds there are colorful and unique play structure and a grass plaza that you can run around in. In addition you will find the Utazu Umi Hotaru, outfitted with a multipurpose hall, cafe-restaurant and FM Satellite Studio.

Along the seaside walkway, there are view points to take in the dynamic Seto Ohashi Bridge, the small islands that dot the Seto Inland Sea and the coming and going of ships. As the sunset the whole area is blanketed in orange.

The area has also been recognized as a "Lovers' Holy Land", chosen from among the many romantic spots all over the country. A perfect place to make that proposal, or just go on a date.
