A Ritsurin Garden

A beautiful park with many sights to see. Walk around and feel how the surrounding natural environment is integrated into the park. The park has a special and fresh feeling in the early morning that gives a different atmosphere from the afternoon. You can have a bowl of morning porridge at the restaurant

B Wasanbon confectionery experience

The 'wooden mold' is an essential part of traditional confectionery making, including Wasanbon. You can try your hand at traditional confectionaries, using wooden mold made of the highest quality. After placing the beautiful and delicate Wasanbon into the wooden mold, you can taste your freshly completed Wasanbon.
