application
deadline : 12/1

Shodoshima Tourism Association is pleased to announce a demo(monitor) tour for the "Nakayama Senmaida, the traditional terraced rice field, Course" and "Kankakei, the gorge located in center of Shodoshima, Course" to create walking tours for inbound market.

In this year, we have conducted training for English interpreter guides who can guide inbound tourists. In order to enhance both the "Nakayama Senmaida" and "Kankakei" courses and create related travel products, we will conduct free monitor tour as follows:

Date and Time December 10th, 2023 on Sunday 9:15 AM - 4:15 PM

Location Participants from off the island: 9:15 AM at Shodoshima Tonosho Port (after registration, transportation by chartered bus)
Participants on the island: 9:40 AM at the temporary parking area of Nakayama Senmaida (after registration, transportation by chartered bus)

Number of Participants Approximately 8 people (residents of Shodoshima or Kagawa, foreigners, for English guidance) ※ If there are many applicants, we will choose the participants depend on the contents of the application form.

Participation Fee Free (however, expenses for shopping, etc., are at your own cost)

Attire and Items to Bring Comfortable clothing and shoes for hiking, a hat, drinks, rain gear, etc.
