Shodoshima Hotspring Town

The panoramic view of the Seto Inland Sea is the pride of this hotspring town

From its vantage point in the middle of the Setonai Sea, Shodoshima is surrounded by 360 degrees of the nature's bounty, and blessed with a warm climate is a year-round resort island. There are many inviting tourist attractions here, including Ni-ju-shi-no-Hitomi Eigamura, Kankakei gorge and the Olive Park, and it is most common for visitors to spend a nights here to explore the island fully. The hotels and inns with hotsprings facilities are the most popular. The most common ways to enjoy the hotsprings are in the open outdoor 'rotenburo' baths and the large indoor communal 'daiyokujo' baths. Many baths are equipped with shampoo, soap, hairdriers and other necessities that the guest can use for free. There are facilities that welcome day-trips as well.

1 Shodoshima International Hotel

The "Olive Bath", located where the waves roll up to the beach, is a popular outdoor bath. There are also Executive Rooms on the top floor which have their own personal hot spring bath.
